## Vision

Prime College will remain as a premier educational institution to impart Management and Technology Education embracing the rapidly changing digital landscape with innovation, collaboration and life-long-learning strategies, and empower students to become exemplary citizens.

## Mission

The College keeps up with the up-to-date trends in the processes, methodologies and dynamics in IT and Management education equipping itself with advanced human and physical resources and runs effectively and vibrantly promoting social responsibility to attain its cherished goals.

# MESSAGE FROM PRINCIPAL

On behalf of Prime College—students, faculty, staff, alumni, and board members,  
—I am delighted to welcome you to our community.

As your principal, it is both an honor and a privilege to contribute to our students' higher learning journey. Here, we are committed to helping our students not only excel in their career but also grow as well-rounded individuals. We will continue to be a leading educational institution where you will find the support and opportunities to develop skills and gain the knowledge to make a meaningful impact as global citizens.

Our mission extends beyond academics. We are passionate about making a positive difference in the world and are dedicated to expanding our partnerships and creating opportunities that benefit both our students and the broader society. We believe in being a force for good and are excited to see the contributions you will make. Whether you are a new student, an educator, a proud parent, or a member of our local community, I am genuinely thrilled to have you with us.

Your presence is invaluable, and I look forward to getting to know each of you and embarking on this incredible journey together. Thank you for joining our vibrant community. Here's to a fantastic start and a memorable year ahead!

**Bigendra Lal Shrestha**  
Principal, Prime College

# MESSAGE FROM CHIEF ACADEMIC ADVISOR

On behalf of Prime College, I would like to extend my sincerest wishes for your safety, good health, and happiness. As we embark on the year of 2081, we are confident in our ability to successfully manage our activities and realize our educational goals. Prime College is committed to maintaining its position as a leading educational institution by incorporating modern educational ideals processes and methodologies.

We aim to provide our students with innovative and enhanced learning experiences. In this regard, we would like to embrace the artificial intelligence (AI) into our Value Added Courses. By incorporating AI technologies, we hope our graduates will have the mindset necessary to thrive in the rapidly evolving global workforce. Our goal is to inspire them to become leaders and job creators, both nationally and internationally.

Beyond academic excellence, we place great emphasis on fostering social responsibility in our graduates. We aim to develop individuals who are valuable contributors to society. Additionally, our value-added programs complement their academic journey and contribute to their holistic development.

One of the unique aspects of Prime College is our student-run clubs. These clubs, supported by the college, offer valuable opportunities for students to develop their leadership acumen, gain real-world experience, and cultivate organizational qualities. We believe that these experiences play a crucial role in shaping the character and capabilities of our graduates. I would like to express my sincere gratitude to the Directors of the Board, dignitaries of TU, promoters, well-wishers, friends, faculty, staff, and our beloved students for their unwavering support and contributions. I am confident that our enviable reputation will continue to grow in the future.

**N P Sharma**  
Chief Academic Advisor

# EDUCATORS WHO MAKE A DIFFERENCE

Globalization and technological advancements have added challenges in academia. Scoring better grades or marks alone does not guarantee a student's overall success. A student has to be a complete package of qualifications, skills and training after graduation who is capable of handling offices, running a business or establishing a company. Our aim is not only to teach the designed courses of the university but also to help students compete in the fast-growing technological world as per the needs of the time. Finally, I would like to assure you that you will be duly benefited by the depth of knowledge and additional skill-oriented programs offered by the college.

**Mr. Amit Sthapit, BBS & MBS Coordinator  
Director of Career Services**  
MBS (TU)  
16 years experience in Academic Teaching

Prime College aims to promote academic excellence in the IT field, where we strive hard to create an environment for fostering innovation and creativity. We provide student-centred teaching-learning methods, extracurricular activities, and personality development initiatives to shape the students as leaders of tomorrow in the competitive world. The BCA and BSc. CSIT program includes both the theoretical and practical knowledge of computers and their applications. Along with the set curriculum, we also provide our students with various value-added courses to enhance their career prospects. We prepare our students to face all the challenges in their upcoming days. So, Prime college provides you with the right platform for your better career.

**Er. Rolisha Sthapit, Vice Principal - I.T. Programs**  
Masters in Computer System and Knowledge Engineering (IOE, TU)  
B.E in Electronics and Communication Engineering (TU)  
9 years experience in Academic Teaching

Life at Prime not only focuses on quality education but also nurtures you to get success in life, having the needed skills and knowledge in this contemporary dynamic environment. It is a platform with meticulously designed pedagogy so that students can define and balance their personal and professional objectives. We challenge students intellectually for excellence rather than success, prioritize them to be right rather than forced to be best and project them the way they can grow rather than survive alone. As an ex- Primerian, I, too, had got the opportunity to experience a warm and vibrant learning environment and I assure the same to my students. Welcome to Prime College to realize your dream.

**Mr. Rupendra Gopali, Vice Principal -  
Management Programs**  
MBA (Pokhara University), BIM (Prime College)  
10 years experience in Academic Teaching

Management is the fusion of personal and professional life. In the management field, we are very much concerned about managing our students to prepare them for successful future business leaders and managers. All the students enrolled in our management course (Bachelor of Business Management) are cultivated not only with the given curriculum but are also nurtured with extra value-added courses of soft skill training, computer skill training and different motivational sessions.

**Ms. Sushma Maharjan, Ethics and Standard  
Officer**  
MBS (TU)  
13 years experience in Academic Teaching

Learning is a lifelong process. At Prime, we are not only focusing on academic education but also on real-life learning processes that prepare our graduates for the real world. Our students adopt the participatory method of learning where they get involved in more practical activities, connect their academic achievement with real-life issues and understand the impact of an individual action on the community. So, we inspire our students to take the initiative of changing the world, to explore the highest possibilities in their life and to create a meaningful life. Welcome to Prime College and Be read to become a Changemaker.

**Mr. Niraj Thapa Magar, MLRC Coordinator**  
(Mathema Learning Resource Center)  
BE (Electrical TU), Master of Management (CQU, Sydney)

# PRIME IN PICTURES

# Identify your career goal

Life is all about your next step...

1

## Decide what you want to study

Select your career according to your interest and passion. Make sure to identify your top skills and brainstorm career options.

2

## Search out for the right college

Research and choose a proper college on the basis of your field of study and your feasibility. Try counselling and get an insider perspective to determine your ideal college.

3

## Map out your career path

Carefully plan out on what you wish to achieve in the coming 4 years. Analyze your goals and track your progress to reach your desired objective.

4

## Submit your applications

Fill and submit the application of the college you desire to join. Patiently wait for their response!

# OUR

# COURSES

ALL OUR COURSES ARE LISTED WITH A SHORT OVERVIEW AND ITS PROGRAM DETAILS, SO YOU CAN EASILY FLICK TO THE PAGE YOU'RE AFTER.

# BBA

# BIM

## AT A GLANCE

Prime College offers a comprehensive Bachelor's Degree in Information and Management in management settings affiliated to Tribhuvan University (TU). Bachelor of Information Management (BIM) is intended to help students learn all perspectives of management varying from human resource, marketing, accounting, and finance. It also benefits the students by improving their skills in object-oriented software design methods and data management systems. Upon completion, the students will be able to use IT and computational techniques to solve real-world problems as well as enhance their managerial skills.

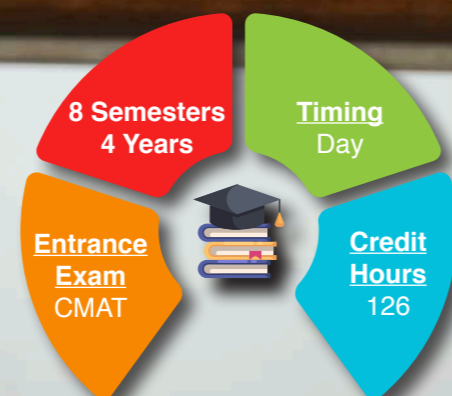

## CURRICULUM STRUCTURE

The BIM program requires the students to study a total of 126 credit hours. The curricular structure of the program comprises the following four separate course components.

I. Management Courses	30 Credit Hours
II. Analytical and Support Courses	21 Credit Hours
III. Information Technology and Computing Courses	63 Credit Hours
IV. Elective Courses	06 Credit Hours
V. Project	03 Credit Hours
VI. Internship	03 Credit Hours
<b>Total</b>	<b>126 Credit Hours</b>

EED 219	Innovation and Technology Management
EED 214	Entrepreneurial Marketing
EED 220	Micro-finance & Cooperatives
EED 221	Project Planning & Management
EED 222	Design Thinking & Entrepreneurial Skills Management

### Electives: (3 Courses)

ELE 221	Emerging Global Business Issues
ELE 223	Management of Foreign Trade
ELE 224	Organizational Development and Change
ELE 225	Budgeting and Financial Forecasting
ELE 226	Event Management
ELE 227	Service Operations Management
ELE 228	Labor Relations Management
ELE 242	Negotiation Skills
ELE 243	Real estate Management

# BSc. CSIT

## AT A GLANCE

Bachelor of Science in Computer Science and Information Technology (BSc. CSIT) program develops the underlying principles of both Computer Science and Information Technology and strengthens the skills that are essential for both computer professionals and IT specialists. Designed for enhancing expertise, in theory, design, programming, and computer application, BSc. CSIT degree prepares the student to pursue a career in the field of information technology. Upon the completion of this degree, the student will be able to design real-world e-media products or create technical solutions to hardware and software problems.

### Eligibility

A student who seeks admission to BSc. CSIT program:

a) For grading system:

- Should have successfully passed grade 11 and 12 in the Science stream with minimum full marks 100/100 in Physics and Mathematics respectively and should score final grade 'C' in all subjects.

b) For percentage system:

- Should have successfully passed grade 11 and 12 in Science stream with minimum full marks 100/100 in Physics and Mathematics respectively and should score a minimum of the second division. I

c) For PCL (I.Sc.) or equivalent:

- Should have successfully passed I.Sc. or equivalent examination with minimum full marks 100/100 in Physics and Mathematics respectively and should score a minimum of the second division.

d) For A level:

- Should have successfully passed A Level in science stream (with full marks 100/100 in Physics and Mathematics respectively) and should score minimum D Grade (With or without small letter).

e) For CTEVT:

- Should have successfully passed three years diploma in Engineering with full marks 100/100 in Physics and Mathematics respectively and should score a minimum of the second division.

f) For International Education Institute or International University:

- Should have to submit an equivalence letter from Curriculum Development Centre, Sano Thimi, Bhaktapur.

g) Should have successfully passed the entrance examination conducted by the Institute of Science and Technology (IoST), TU securing at least 35% marks.

h) Complied with all the application procedures.

# CURRICULUM STRUCTURE

The BSc. CSIT program will have eight semesters with 126 credit hours. Each semester shall have a duration of 6 months. This program comprises the following courses:

I. Computer Science Core Courses	84 Credit Hours
II. Physics Course	21 Credit Hours
III. Mathematics Courses	63 Credit Hours
IV. English Courses	06 Credit Hours
V. Management Course	03 Credit Hours
VI. Computer Science Elective Courses	03 Credit Hours
VII. Internship / Project	03 Credit Hours
<b>Total</b>	<b>126 Credit Hours</b>

# BCA

## AT A GLANCE

Bachelor of Computer Application (BCA) is a technical perspective of education that aims to provide students with theoretical and practical knowledge of computers and their applications. BCA in Prime College helps students to design, build, and manage IT infrastructure. Regarding the job prospects for BCA graduates, it ranges from a software developer to the system analyst, project manager, database administrator, and so on.

# BBS

## AT A GLANCE

Prime College provides a 4-year course on Bachelor of Business Studies (BBS) affiliated to TU. This program focuses on the importance and appreciation for the diversity and inter-relationship of business and management issues. In the latter part of the course, it furnishes opportunities to choose any management sector and specialization courses to provide a degree of functional expertise. The course is designed in such a way that students can compete with any other programs having clear conceptual and practical knowledge.

## BBS COURSE CYCLE

Year	Courses	Credits
1	MGT 201 Business English	100
	MGT 202 Business Statistics	100
	MGT 203 Microeconomics	100
	MGT 211 Accounting for Financial Analysis	100
	MGT 213 Principles of Management	100
2	MGT 205 Business Communication	100

**Management**

MGT 665	Organizational Development and Change
MGT 666	Quality Management
MGT 667	Recent Trends in Management
MGT 668	Organizational Theory
MGT 669	Performance Management
MGT 670	Leadership and Communication

### Second Year

**Enhance your networking skills**  
By now, you must have realized that being a part of a club means having to organize countless events: which means, meeting new people i.e. an opportunity to network!

**Always attend workshops and guest lectures**  
Participating in workshops and guest lectures is a great way to boost your professional skills. So, step outside your comfort zone and be the driver of your growth!

**Work and spend more time to enhance your transferable skills**  
Apart from your academics, there are innumerable skills for you to improve on. So, work as hard as you can in and outside the classroom just to LEARN!

**Read the news**  
You are soon going to indulge into the job market. So, build a habit of reading the news to gain a better understanding of the market!

### Third Year

**Start creating your CV**  
It's finally time to put the experience that you have accumulated into a piece of paper. Your CV is a reflection of who you are and you will certainly require it for your future!

**Challenge yourself**  
It's finally time to take up another challenge in your college years. So, why not take a leading role in the clubs that you were a member of!

**Excursion trips**  
Outdoor trip is a great opportunity for both teachers and students to know each other outside the class.

**Time to get serious**  
Sit down and figure out where you plan to intern in your upcoming year. Make a clear plan, shortlist the companies and get motivated to succeed!

Hi there. I'm new here. Can you give me some tips for my 1<sup>st</sup> year?

Sure. Firstly, **GET INVOLVED.** You will be attending several events, taking care of numerous academic works and participating in various co-curricular activities. So you need to start getting organized. List it out, prioritize and start working!

Secondly, **Join at least one of the Clubs in Prime** Joining clubs is the best way to meet new faces and to explore various skills and interests. So don't miss out on this opportunity before it's too late!

Thirdly, **Make friends and capture memories** You will be spending the next four years at Prime. So don't forget to capture the memories that you create with your dear friends and teachers.

### Fourth Year:

**Don't miss deadlines!**  
Especially in your last year, you will have numerous projects and reports to submit. So, try to work according to a set deadlines in order to get the job done in an effective and efficient manner.

**Take Good care of your health**  
Final year can be very tough and can take a lot out of you. So, make sure to always keep a close check on your health.

**Best of Luck for your exams**  
Over the past four years, you have devoted hours, days and weeks participating in classes and club activities. The only thing left is your final exam. So, start preparing ahead of schedule, don't feel shy to ask for help and ACE it!

Student life is different for everyone. You will only get a sense of what it truly means, once you're amongst it. Here are some tips on making the most of your precious time as a student at Prime College!

# MATHEMA LEARNING RESOURCE CENTER

Named after the founder and former Chairperson of Prime Educational Inc., Late Prof. Dr. Sundar Shyam Bhakta Mathema, the Mathema Learning Resource Centre was founded to streamline and modernize the learning process for all undergraduate and graduate students at Prime College.

The board objective of MLRC is to fill the gap between prescribed coursework and real-world requirements. In order to achieve this goal, we offer our students various value-added courses, workshops, and training.

## Library:

Prime College's library is for all resident members of the college. We are constantly upgrading our library facilities to help the students in their academic areas and gain extra inspiration to innovate innovative ideas.

## Research Department:

The Research Department at Prime plays a vital role in the further development of academic research in the field of business, management, and IT. The objective of the Research Department is to establish a research culture in Nepal by supporting and providing a platform for students, faculty members, and staff for their research projects and activities.

## Value-added courses & training division:

Prime College provides students with innumerable opportunities which help them grow and strengthen the skills required for a successful future. With a wide range of activities and training, Prime College strives to develop versatility amongst the students to help them propel them to new heights.

Prime aspires to provide special training and workshops to students to boost their "Hard" and "Soft" skills. Hard Skills are associated with technical knowledge and abilities required when performing a specific job. These skills are easy to measure, observe and quantify and are often used to single out the candidates during an interview. The Value-Added Courses that focus on these skills include everything from Stock Market Investment training to Coding in Python. However, soft skills are often intangible and associated with non-technical abilities. These skills include personal qualities or attributes that make a candidate a suitable team member to work within an organization. Numerous value-added courses take place to highlight and improve the unique skill sets of students. This may include:

- Accounting Bootcamp
- Python with Django
- Industrial Field Visit
- Design Thinking Workshop
- SPSS Workshop
- Full Stack Development MERN
- Agile Meetup
- First Aid Training
- Graphic Designing Workshop
- Blockchain Session
- Digital Literacy Workshop
- Fundamental and Technical Analysis of Shares

*and many more...*

# STUDENT SUPPORT DIVISION

The Student Support Division provides services and programs that address the academic, behavioral, social, emotional, and health needs of all students at Prime. One of the main objectives of the Student Support Division is to provide direct services to the students within our college, especially those who are experiencing a problem that creates a barrier to learning. So, the Student Support Division at Prime College has various support systems through which we provide education, counselling, consultation, and individual assessment to support our student journey of learning.

### Cafeteria:

The cafeteria at Prime College provides a wide range of varieties of food and drinks at a reasonable cost. Accessible from early in the morning till late in the afternoon, it provides hygienic food and serves as a meet-up spot to the students. There is an extensive choice of vegetarian and non-vegetarian meals and refreshments to help students rejuvenate themselves.

### Computer Lab:

The Computer lab in Prime College functions as a study station and a learning destination to help students fulfill their objectives and desires of discovery, innovation, and execution. Proffering the students with an up-to-date and high-quality computing tools, gadgets, and software along with a high-speed internet technology, The computer lab acts as a perfect point for the students to deal with their projects, research, and presentations.

### Digital Logic Lab:

Prime College offers the students with a digital logic lab where the students can apprehend about digital computing and understand the communication of circuits and hardware within a computer.

### Auditorium Hall:

One of the important and central spaces of Prime College is the auditorium hall, a place for various activities like formal discussions, guest lectures, presentations, workshops, and other events. Prime College provides students with a fully equipped auditorium with a proper sound system, display arrangement, and a comfortable seating facility.

Computer Lab  
Digital Logic Lab

Basketball Court

## PRIME CAREER CENTER

Prime Career Center provides completely free job placement, internship placement, and/or traineeship placement services to all current and former students of Prime College. Additionally, in collaboration with Mathema Learning Resource Center (MLRC), Prime Career Center ensures that our students are prepared to enter the real-world workplace and/or begin their entrepreneurial journey.

At Prime Career Center, we believe that the problem is not the lack of opportunity(s), but rather a lack of organized and streamlined pathway connecting the right employee(s) with the right employer(s). Therefore, we established Prime Career Center to organize and streamline the pathway connecting our students/prospective employees to suitable employers.

Moreover, studies have shown a positive correlation between long-term career satisfaction and initial placement experience. Thus, we make sure that individuals with the right skills and aptitude are connected with corresponding employers, ensuring long-term career fulfillment and happiness for all our students.

### Student Internship Programs

Our college has been providing paid internship programs under Prime Educational Inc (Prime College and Prime Global School). Our students are provided opportunity to engage in the work that they are interested in and experience the ever-changing marketplace in real time. The plus points of the program are as follows:

- Emphasis on adding work experience
- Ease of learning with faculty
- Establishment of hard and soft skills
- Build confidence in the work environment
- Understanding work culture
- Build work ethics
- Balancing work and study

### Career Building Program

Our college assists in building excellent career paths for our past and current students. We are actively invested in making sure that our students are involved in the career that they desire. Some of the career partners are as follows:

Midas Stock Broking Company

SCT

Top of the World Consultancy Services

Goodwill Finance Limited

Info Developers Pvt. Ltd.

#### Prime Corporate Partners

## ETHICS & STANDARDS OFFICE (ESO) AND PRIME WELLNESS CENTER

We, Prime College, believe that university education must be grounded on ethical principles and educational institutions are only the place where students can learn about the ethical values. Ethics is based on well-founded standards of right and wrong that prescribe what humans ought to do, usually in terms of rights, obligations, benefits to society, fairness, or specific virtues. We also believe that ethical values can be learned, reinforced, practiced and applied during the students' academic journey which will help them in future.

College teaching is not limited to transmitting knowledge, and often, transmission of knowledge does not contribute to ethical development. Thus, the moral dimension of college teaching should be required as a complement to knowledge.

For this, we have established an Ethics & Standards Office, which will help to foster the moral dimensions of our students. The three basic dimensions of moral personality are

- construction of the self,
- living together and
- socio-moral reflection

Our trained team (ESO Team) will guide our students on these matters. Further, under this office we also have the Prime Wellness Center.

**Prime Wellness Center** provides services to currently enrolled undergraduate, graduate and professional students while supporting faculty and staff in their efforts to promote and support student wellness. The Student Wellness Center is a holistic place that encourages, educates, facilitates, and connects students with needed resources.

Wellness at college means feeling safe, valued and respected, being actively and meaningfully engaged in academic and social activities, having positive self-esteem, self-efficacy and a sense of autonomy, having positive and supportive relationships with teachers and peers.

### Our Mission

Student Wellness cultivates student learning and influences health-related (physical & mental) outcomes by promoting healthy attitudes and behaviors. Student Wellness also strives to prevent and reduce preventable health (physical & mental) risks and illnesses that interfere with academic performance, learning, student retention, student success, and personal growth opportunities. Student Wellness Center professional staff empowers undergraduate, graduate and professional students to overcome barriers and reach their full potential through evidence-based holistic wellness awareness, education, coaching and counselling.

### Our Vision

To be the successful leader in providing inclusive wellness programs and services that promote life-long well-being.

### What is a Wellness appointment?

During wellness visit(s), a counselor will help to facilitate an environment where the student will be able to address their concerns, create a plan, problem solve, and develop healthy solutions targeted toward positive changes and transformations.

### How to make an appointment?

The Prime Wellness Center is located at first floor (counselling room) of college building, You can make a Wellness appointment by calling 9801153306 to Sushma Maharjan, Ethics & Standard Officer.

★ All services provided by the Prime Wellness Center are confidential.

★ The services provided by the Prime Wellness Center are free to Prime students.

# JOIN OUR CLUBS AND ASSOCIATIONS

Clubs provide a platform to the students which help them enhance their skills and guide them in their journey. Clubs in Prime College are all about boosting up students' confidence, personality, and pace for moving forward in the future as well as in the job market.

The activities organized by the clubs aim to develop several transferable skills within the members:

- Leadership and Personality Development
- Communication and Networking
- Organizational Skills
- Time management
- Team Work

# GET INVOLVED

Unlock the door to endless possibilities – join a student club today and let the journey of self-discovery and lifelong friendships begin.

-Niraj Thapa Magar  
MLRC Co-ordinator

The purpose of the club is to provide voluntary services, maintain unity and to provide humanitarian aid. Social Innovation Club aims to build responsiveness among students about social responsibilities as well as involve students in extracurricular activities. To achieve such goals, the club organizes co-activities for and on behalf of the students and promotes the intercultural relations and welfare of students.

“ The club helps the students develop a positive attitude by letting them get involved in various activities that contribute towards the society. It aims to make the students understand the value and importance of community well-being through different social campaigns.

### Recent Activities

- Music for Cause Vol II
- Blood Donation Camp
- Threads of Kindness
- International Human Rights Day

The purpose of the club is to provide voluntary services, maintain unity and to provide humanitarian aid. Club 25 Prime Chapter aims to build responsiveness among students about social responsibilities as well as involve students in extracurricular activities. To achieve such goals, the club organizes co-activities for and on behalf of the students and promotes the intercultural relations and welfare of students.

“ Our Club has a big hand in providing students some refreshing hours to relish the cultural vibes to enlighten all the youths that are responsible for maintaining cultural integrity and carrying it along in the coming years.

### Recent Activities

- Prime Holi Fest 2081
- Smile for All: Christmas for a cause
- Mela Jhamela: Dashain Dhamaka
- Mehendi Utsav

Prime IT Club is managed by a group of creative and tech-enthusiastic students. This club organizes a wide array of sessions, workshops, training programs, and competitions. The club has been and is still constantly on the lookout for opportunities to help students in any and every way possible and everything they set out to do is an effort to point students in the right direction.

“ The main idea behind establishing this Club was to develop the IT skills amongst the students demanded in the current market. The club helps the students of Prime college to develop their technical skills as well as other transferable skills. Transferable skills include proper coordination with team members, time management skills along with others to help them establish themselves in the competitive techno-world.

### Recent Activities

- ICT MEETUP V 7.0
- Skill IT V 2.0
- Mentorship Session
- How to Prepare a Pitch Deck?
- Hackaverse: Genesis 2024

Prime Sports Club aims to support the Primerians talent in various sports fields since 2003. The club helps to shape the skills of sportsmanship in a proper manner. Organizing various sports-related activities every year, the club has always motivated the Primerians to participate and hone other personal skills. The Prime Sports Club proudly follows its motto "Believe and Achieve".

“ The club is expected to provide a good platform to enhance students' abilities by letting them indulge in sports events. It helps them shape their raw talent by making them competitive as well as dedicated towards their target.

### Recent Activities

- Game on Square
- Prime Sports Gala
- Basketball 5x5 Tournament
- Prime Inter - Club Futsal Tournament

Prime Entrepreneurial Management Club (EMC) is committed to supporting students interested in pursuing career opportunities in start-ups, venture capital, or starting their businesses. Rather than focusing on a specific industry or function, EMC strives to empower its members to pursue opportunities in dynamic growth phase companies and help members build the network they need to launch their start-up businesses. Moreover, EMC aspires to create an innovation hub in Prime College where students shall discuss their ideas.

“ After joining the club, students get numerous opportunities to work on various events and workshops as a volunteer or an organizer. This will help students to improve themselves on overall development like public speaking, personality, confidence enhancement while giving them the ability to pursue removing the gap between education and the industry.

### Recent Activities

- Prime Bizfest 2024
- The StoryYeller 2024 - College Edition
- Masters of Business: Panel Discussion with Industry Titans
- She Leads

Dive into gaming culture with Prime eSports Hub, where you can enjoy events, workshops, and build friendships with fellow gaming enthusiasts. Whether you're a casual player or an aspiring pro, join us to enhance your skills and connect with like-minded students

“ Prime eSports Hub, dive deep into the vibrant world of gaming. Experience thrilling events, hands-on workshops, and forge lasting friendships with fellow students who share your passion. It's more than just gaming—it's a community.

### Recent Activities

- Intra Valorant Tournament
- NESAs MLBB: Road to IAS
- ICT Inter College Valorant Tournament
- Prime Intra-College FIFA Tournament

The Prime Flair Club, started in 2022, is all about supporting college artists. We organize events, exhibitions, and collaborations to help showcase talents and encourage creativity. Our mission is to empower young artists and build a vibrant community where everyone can thrive, connect, and support each other. If you're passionate about art and want to be part of an inspiring community, join us today!

“ A group of musicians came together and realized that a stage is more than just a platform. It's confidence, strength, and a golden door for performers. Inspired by this, they built their own stage to craft and share their art. From a humble beginning with music, it has blossomed into a vibrant hub for all forms of art. We believe in the simple truth: "If you don't get the stage, create one for yourself."

### Recent Activities

- Sukul Session Vol-II
- Ink and Imagination
- Speak up Nepal
- ICT Musical Night

# WHAT MAKES PRIME SPECIAL

Studying at prime College for these past few months has been an absolute blast as I am learning new things everyday, and I feel like I am also growing as a person. Studying at Prime College has been by far one of the best decisions of my life and I have yet to explore the college fully and participate in the future club activities, which I am looking forward to.

**Shreeya Shrestha**  
BBS

Being a student of Prime College has actually changed me for the better. The challenging education, helpful environment, and enthusiastic lecturers have actually equipped me for my future job. Numerous training and workshops provided by the college have also helped me forge lifetime connections, gain experiences and develop my Inter/ Intra personal skills. I am very much proud to be a student of this institution

**Anjali Khanal**  
MBS

Prime College provides a platform for students to explore and work on their endeavours. The faculty members are knowledgeable experts and passionate mentors who go above and beyond to ensure success. Furthermore, seminars and clubs provide valuable knowledge and experience.

**Mamata Adhikari**  
**BBM**

Prime College provided me with a path to learn and experience new things. It has facilitated my growth and development. Participating in college clubs and activities in a friendly environment and having supportive teachers and coordinators were plus points for me. Also, getting an opportunity to be an intern as a Creative Designer at MLRC enhanced my personal and professional growth. It allowed me to apply and grow my knowledge/ skills in real-world projects. Prime College has had a positive impact in my life. I highly recommend it to anyone looking for a college that challenges and supports them in achieving their goals.

**Yunika Shakya**  
**BSc. CSIT**

It is my immense fortune to be a part of Prime College. The entire faculty and department leaves no stone unturned to shape one's future. Huge respect, love, and devotion for the entire faculty members and department. It is their effort that encourages me to count myself into a better profession.

**Sudikshya Sharma**  
**BBA**

I would like to express my heartfelt gratitude to Prime College for providing me with such a fantastic learning experience and job opportunities. My college was able to hone my skills and prepare me as a better member of the community. The college has an excellent placement cell, tied up with several top-notch companies. I have been fortunate enough to be offered a job by one of these companies. I would highly recommend this institution to anyone who is looking for quality education and a great gateway to start their corporate life.

**Bishan Poudel**  
**BCA**

Prime College has exceeded my expectations in every aspect. The knowledgeable faculty and supportive environment have truly shaped my academic journey and prepared me for future success.

**Yashu Sthapit**  
**BIM**
