What is CPA Evolution – 2024?

The CPA Evolution is an initiative by AICPA and NASBA to update the CPA Exam and licensing process to align with the rapidly changing financial and accounting industry standards. This new structure has been officially launched in January 2024.

What Changed?

- AICPA introduced a new CPA Exam format in January 2024, known as CPA Evolution.
- The program curriculum and testing model has undergone significant changes to better align with the skills needed in the evolving accounting field.

Why this change?

The goal of CPA Evolution is to modernize the CPA licensure process, recognizing the new skills and competencies required in today's and tomorrow's accounting practices.

How does it impact me?

- The exam structure and exam windows for the Uniform CPA Exam has changed.
- It's crucial to plan your exam schedule strategically to increase your chances of success in this new format.

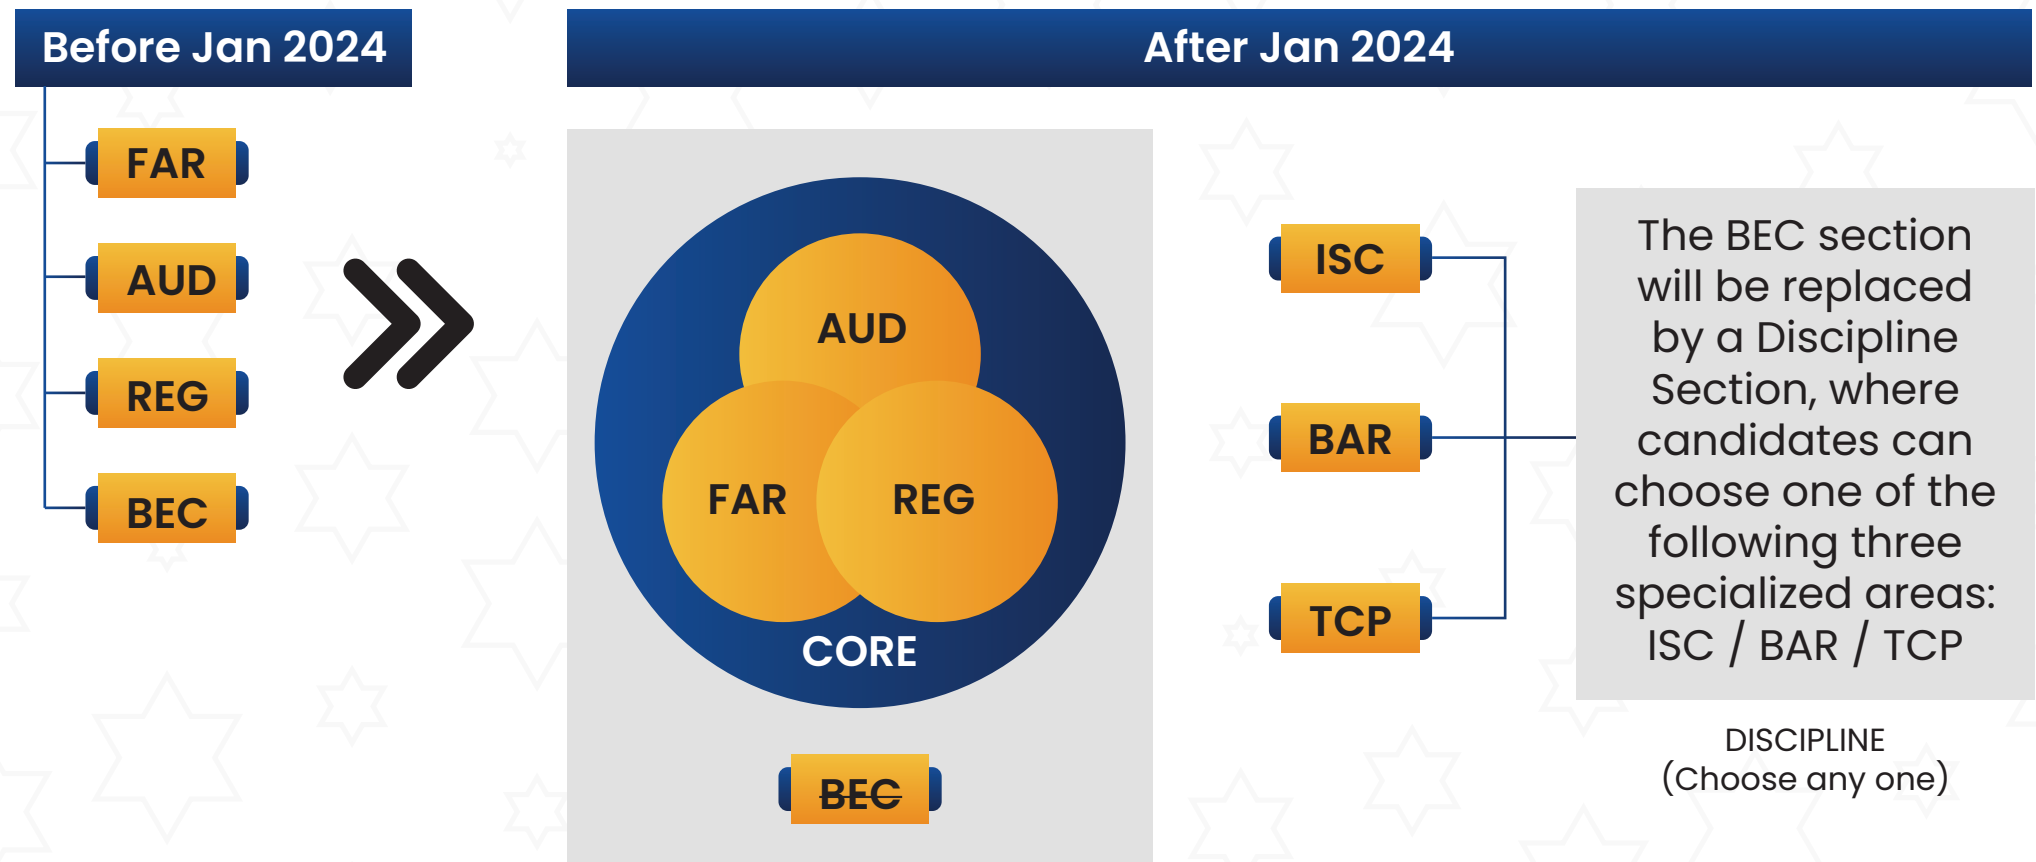

Programme Curriculum – Evolution

Segment	Sections	Course Content
Exam preparation (CORE) – Mandatory Sections	Auditing and Attestation (AUD)	<ul style="list-style-type: none"> Forming conclusions and reporting Ethics, professional responsibilities and general principles Assessing risk and developing a planned response Performing further procedures and obtaining evidence
	Financial Accounting and Reporting (FAR)	<ul style="list-style-type: none"> Financial reporting Select transactions Select Balance Sheet accounts
	Taxation and Regulation (REG)	<ul style="list-style-type: none"> Business law Ethics, professional responsibilities, and federal tax procedures Federal taxation of property transactions Federal taxation of individuals Federal taxation of entities including tax preparation
Exam preparation (DISCIPLINE) – Elective Section	Information System and Controls (ISC)	<ul style="list-style-type: none"> Information systems and data management Security, confidentiality and privacy Considerations for Systems and Organisation Controls (SOC) engagements
	Business Analysis and Reporting (BAR)	<ul style="list-style-type: none"> Business analysis Technical accounting and reporting State and local governments
	Tax Compliance and Planning (TCP)	<ul style="list-style-type: none"> Tax compliance and planning for individuals and personal financial planning Entity tax compliance Entity tax planning Property transactions (disposition of assets)

CPA Evolution : Major Transition

Under the new CPA Exam structure introduced by CPA Evolution, the exam will continue to consist of four sections, each lasting four hours.

The Core will include three familiar sections: Financial Accounting and Reporting (FAR), Auditing and Attestation (AUD), and Regulation (REG); and an elective discipline section.
